12:02 AM **me**: sorry, internet fagged out
so, long story short
Mirna: ha
me: almost exactly the same thing happened on sunday
12:03 AM whereby a cute little brown girl slept over
Mirna: who are you?
jesus
me: and then this time Jen suddenly showed up
outside
Mirna: hahah
12:04 AM **me**: so little girl had to escape because she was actually frightened
Mirna: how did she escape?
and did you steal from a crackhead?
me: they met in the living room but Jen suspected nothing
and here's the kicker
Mirna: hahahah
me: jen later told me that she knew I had been crying over her that day
Mirna: hahahaahhahhah
12:05 AM **me**: because when she arrived I "couldn't look me in the eye"
and my face was reddish
Mirna: you are the devil
!!!
me: yes, I jacked some stuff from a homicidal crackhead
including some phone taps
12:06 AM that we can use for awesomeness
Mirna: smart.
12:07 AM **me**: it's okay, he's not coming back
I use false flag ops to turn him and a partner of his against each other
Mirna: hahaha
me: I've had to be creative lately
12:08 AM had to spend much of last two weeks typing up loose junkie ends
now my damned book is due
Mirna: well
its hard, the junkie life
me: because I've been distracted by crazy urban warfare
12:09 AM but I'll have it finished soon and then we can play computer games and caress each other

Mirna: yay!
me: yay!
